(Miami, FL) – An estimated 80 University of Miami students will partner with the Miami River Commission on Saturday, October 29, 11 am to 1 pm, to beautify the Miami River Greenway along South River Drive, from José Martí Park to the NW 1st Street.

Volunteers will meet at 10 SW South River Drive. Activities will include: painting, planting 100 new plants along the Miami River Greenway, removing litter and weeds, and spreading mulch made of recycled wood.

The MRC thanks all of the volunteers and generous in-kind sponsors. Feel free to join us at this MRC co-sponsored event. Just remember to bring closed-toed shoes and sunscreen. For more information about the Miami River Commission, please visit our website, www.miamirivercommission.org.
